STATION KEEPER

To Superintendent C. A. Gordon we, the annual staff, dedicate the 1949 CUB. As our "stationkeeper," Mr. Gordon has been expertly guiding the affairs of Seneca Public High School for six years. His vast experience in the educational field, coupled with his natural understanding of human problems has made him a valuable friend of every student in our system. He has long been recognized as a progressive and ambitious man.

This dedication, we hope, will express our gratitude.

JUST A STATION ALONG THE WAY

"Just a station along the way" describes the position held by our school in the lives of the student body. The Pony Express had as its origin St. Joseph, Missouri, and its destination at Sacramento, California. The scope of this historical organization was confined, but the future success of Seneca High School students is unlimited.

This majestic building never moves from its picturesque site, but in the minds and hearts of its students it travels far and wide. We, the Seniors of 1949, will long remember "this" station along the way to success.

TOP HANDS

(Left to right) James Gafford, A. J. Wempe, Hugh Agnew, Charles Vorhees, Sr., A. O. Ward, Harry Lanning.

The Board of Education is the governing body of our school. They establish the guide-posts by which our system is organized.

These capable citizens have willingly shouldered the problems of Seneca High School. Their unselfish participation has provided a firm stand against the obstacles along the trail.

We, the Seniors of 1949, are grateful to the Board of Education for making our days here memorable.

Thanks!!

TOP HANDS WILL

We, the distinguished graduating class of 1949, being aware of the approach of the termination of our school days, and being of sound mind and memory, do make, declare, and proclaim this to be our last will and testament. We give and bequeath as follows:

I, Kenny McKee, leave my famous title as "Lady Killer" to that good looking freshman, Dick Gafford.

I, Marvin Knight, state that it pains me deeply to do this but I leave all my Texas women that I left behind, to the Martin Twins.

I, Don Allison, would be more than delighted to leave my collection of speeding tickets to Harry Hartman.

I, Beverly (come hither) McKee, will my interest in the Gamble Store and any other finished business to Vonda Breidemier.

I, Keith Heiniger, leave the decision of guilty or not guilty to the student body at large, and my curly hair to Kay Decker.

I, Glaen (Skip) Parnell, leave my ability to get out of study hall to some less fortunate guy. Also my influence with the South Western Bell to Bob Price.

I, Shirley Kirk, will my figure, typing - and - wide spread interests in towns around Seneca, to Pete Nicholson.

I, Hank Elder, am willing to leave my pigeon-hunting technique at a certain farm on the outskirts of Seneca, to James Sharpe.

I, Stan Rogers, leave my dancing ability to main street - also my ability to frustrate the teachers to Billy Burt Mathews.

I, Willy (Bubble Gum Lips) Morrison, leave my great interest in a certain sophomore girl, my heighth and crosseyed lucky shots at the goal, to Tommy McBride.

I, Pat McGeeney, will my slightly worn - but never used - American History book to Jerry Glynn.

I, Phyllis (Tex) Fledkamp, leave my place as Football Queen to Orleta Sausser and my ability to CATCH a man, to any lucky girl.

I, Jeanie Korber, leave my cheerleading ability to Shirley Shaffer and my silver spoon to Lila Lee Diggs.

I, Paul Jones (Just call me "Jonesy") will my wit, foolishness, bodily charm and "free shot" poise to Clarence Tift.

I, Rex (Ping) Lamping leave my graceful motions and my seat in Business Law to some one who is fortunate enough to make more of it than I did.

I, Charlotte Smith, will my blond locks and my famous "giggles" to Eva McBride.

I, Pauline Specht, wish to leave my interest in Internation Friendship (of course, you know what I mean!) to some intelligent person.

DUDES

FRONT ROW: Patricia Holthaus, Margaret Shipman - Student Council, Lila Lee Diggs. **SECOND ROW:** Phyllis Glynn, Mary Kohenge, Charlotte Haize - President. **THIRD ROW:** Janice Moorehead - Vice-President, Orletha Sausser - Secretary-Treasurer, Eileen Carmicheal. **BACK ROW:** Harry Hartman, James Sharpe, William Mathews, Jerry Glynn, John Clifton, Edward Dalsing, Dorus Smith, Robert Price. **ABSENT:** Eva McBride.

Eighteen juniors look toward the rising sun of opportunity and see before them a glowing summit, distinctly outlined. They are near their destination.

Though they are travel-weary they cannot forget the days of happiness left behind.

They will look back upon a trail smoothed by success and recount the milestones along the way, happy that they endured the hardships.

Thirteen sophomores are nearing the halfway mark. They have passed several important milestones, but they see many more important ones shining in the future.

They have many rivers to cross before they reach the summit, but undaunted by future obstacles, they push steadily onward.

As they go along they will blaze the trail with parties, games, and other joyful times to brighten the way, so that their passing will always be remembered.

Seventeen freshmen are starting up the "stairs to success." It will be a long, hard journey, some will fall back for another try, but eventually success in some form will come to each of them.

They have braved initiation, the first obstacle on their journey. There will be more dangerous boulders blocking the path, but when they reach the summit they can look back on a rough trail, smoothed by success.

That trail will be strewn with the boulders of hard work, lessons, and defeat, but among them, the bright pebbles of parites, basketball games, football games, and all those exciting never-to-be forgotten days will shine brightly.

The local chapter was chartered by the State Association of Future Farmers of America in 1938. All boys enrolled in vocational agriculture are not required to belong to the F.F.A., but it does provide very valuable training for all who are active members.

Some of the outstanding activities that the chapter has engaged in this year are parent and son banquet, the District F.F.A. Leadership School, and a pest eradication contest.

Some of the money-making activities were selling at basketball games, and holding a donkey basketball game.
